

Grumpy Grown-ups Need **Love** Too!

Especially when...They've had a **bad** day... Their kids don't **listen**... They run out of **MONEY** before all the bills are paid. The **IRS** sends bad news... **The car breaks down...** **Relatives** only ask for **money** and don't help with **chores**... They are **tired** and can't take a **nap** because they **are too busy**...Someone is being mean to them... Nobody did a good job **loving** them when they were little... They have to sit in boring meetings... They feel **over-worked** and under-appreciated... The police gave them a ticket instead of a **tickle**... No one remembered their **birthday**... **Christmas** is coming and there was only enough **money** for **Thanksgiving** ... They don't have a **good excuse** for being late and their boss is **grouchy** to them...Their **teenagers** want to use their credit cards and borrow **the car**...**They get scolded** for **drinking, gambling, or shopping too** much...They lose their glasses, keys, or **sense of humor**...The people they live with are **grumpier** than they are...They think **no one** understands them or cares they are sad...Their **relationship** skills need upgrading... They need a **hug** and nobody wants to **hug** them...They don't do **fun** stuff anymore....They **forgot** what makes them **laugh**...
